Pertinent Paragraphs

The fact that people in the old days believed in witchcraft doesn't seem so ridiculous when you remember that there are thousands of people nowadays who believe in bootleggers.

Thousands of men and women in this country neglect to register and vote. And they doubtless resent any imputation that they are not good citizens.

The reapportionment referendumno. 1 on the ballot is a most necessary law of our state of the rural counties are to hold their proper power in the legislative halls. This is modelled after the national law and gives counties an equal footing in the senate. The Chambers of Commerce of Santa Clara, San Jose and County Consolidated have given their unqualified endorsement to the measure and the local chamber is in accord with such action. It is the duty of every voter of Santa Clara county to support measure no. 1 at the polls Nov. 6 that he may get fair play in state legislation in the future.

That's all.

Tuttle Caf Opens; New Management

Tuttle cafeteria has recently been reopened by William Flannigan, for 23 years a restaurant man in and around San Jose. Mr. Flannigan is being assisted in the enterprise by Mrs. Flannigan.

For the present the place will be operated under the old name, but it will later be changed.

There are three children in the family, all in the grammar school. Mr. Flannigan says that the excellent schools of the town had a good deal to do with their decision to settle here permantly.

Borah Pays Tribute

Describing Herbert Hoover as "one of the great administrators of all times," Senator William E. Borah of Idaho declared that "the issues of this campaign are every day problems, such as farm relief, cheaper transportation, development of waterways, a public utilities policy, conservation of electric power, and the maintenance of our Constitution as the people had written it."

Discontent Breeds Content

We try to make every boy discontented with his lot, and we achieve the most contented and unified and stable country in the world.—*Herbert Hoover.*

Miss Wilma Smith And Major King Married Friday Eve

The marriage here last Friday evening, Oct. 12, of Miss Wilma F. Smith, only daughter of Mr. and Mrs. Harry C. Smith of this city, to S. Major King, son of Mr. and Mrs. E. V. King of Dallas, Texas, terminated a happy engagement of some months and was acclaimed by guests as one of the brighest events of the season.

Vows were solemnized at the home of the bride's parents at 7:15 o'clock by the Rev. J. H. Bennett of the Campbell Congregational church. Mrs. Gayno Eddlemon, a friend of long standing, was matron of honor while the groom was attended by Richard H. Knappen, cousin of the bride. Witnessing the ceremony were relatives and friends of the family, among the latter from out of town being Mrs. Donald E. Lent of Oaklond and Miss Mary Devitt of San Francisco. James F. Knappen, cousin of the bride, of Marysville, arrived shortly after the ceremony.

Pink was the color scheme of the decorations, baby chrysanthemums in floor basketsand asparagus furnishing the background. Sweet peas and roses were used in the dining room. The same motif was carried out in the refreshments.

The bride was charming in a simple frock of tan and beige crepe with accessories to match. Her flowers were Cecil Breuner roses splashed with ferns and tied with white tulle. The groom was attired in conventional black relieved by a white gardenia boutonniere.

Mr. and Mrs. King later in the evening were escorted to San Jose where a number of folks had gathered to see them on their way to El Centro, Calif., where Mr. King will be connected with the J. C. Penney Stores.

The bride grew to girlhood here, graduating from the local schools and attending the state teachers college and the San Jose Secretarial school.

Her bright and happy disposition had made for her many friends whose gifts and best wishes accompany her to her new home.

The groom had spent the past two years in this vicinity; coming here from his home in Texas, but moving to San Jose, where he was employed and where he had made a host of friends.

Santa Clara County Grocers To Convene October 24th

Santa Clara county retail grocers, with their wives, clerks and friends will hold their annual banquet and get-to-gether Wednesday evening, Oct. 4 in San Jose at the Hotel Sainte Claire.

An interesting and varied program consisting of grocers songs, games, musical specialties and adresses by prominent leaders in state and local grocery circles, has been arranged bythe committee in charge.

Sykes orchestra, well known for their snappy syncopating melodies, will have charge of the musical program.

There will be an informal reception in the lobby for those who can come early, but dinner will be served at 8 o'clock to accommodate out of town grocers and guests.

Tickets can be secured from L. S. Miller at Miller's Store.

Mr. and Mrs. H. G. Weste returned the first of the week from an auto trip across the continent and back. Mr. Weste said that from his observations he felt sure that Hoover would be elected, but that the contest might be rather

Ralph Hyde, PG& E, Occupy New Offices Monday

Another big step forward has been accomplished on the Campbell business plaza that leaves our town without an empty business block and other houses are clamoring for a place in the sun.

The last big deal has just been accomplished by the Campbell Water company, Ralph H. Hyde, insurance man, and the Pacific Gas & Electric company for whom the water company will act as agent.

Thi group has leased for eight years the L. M. Beall block formerly occupied by the Mercantile Trust company and the Fred V. Clancy Ford agency. The interior has been refinished and suitable fixtures will be installed, making this an ideal office building. Steel counters are to be part of the equipment and the departments will be separated by pannelled railing. French phones will be used, the first of that kind to be used here. A new rainbow sign will be placed over the sidewalk by Mr. Hyde.

The combined interests have outgrown their present location and with their newly equipped quarters our community may well feel just a bit proud of all these attracuve new settings.

The P. G. & E. company will install a very attractive exhibit of its gas and electric appliances and through the local agen render a closer and more immediate service. Applications for service and shut-off notioces may be made here and all gas and electric bill may be paid at this office.

With the occupancy of the new offices our community might well stand up and fittingly acclaim "more power to them."

The C. U. H. S. P. T. A. met for the first time of the year Tuesday afternoon in the assembly room of the high school

Work for the year was discussed and as it was decided to hold every other meeting in the home of a member, Mrs. S. N. Hedegard, the president, offered her home for the November meeting.

Mrs. Hummel expressed the appreciation of the teachers for the reception tendered them in September. The next meeting to be held in the school building is scheduled for December and there will be a speaker of special interest to the junior and senior classes.

Mesdames Curry And Pardee En-Tertain At Shower

Mrs. O. B. Curry and Mrs. J. J. Pardee, assisted by Mrs. Walker Vaughn, very charmingly entertained a group of ladies at the home of Mrs Pardee Thursday afternoon, Oct. 11. The occasion was a miscellaneous shower for Miss Marie Purmort, a bride of the month.

About 30 guests were present, many of whom have been friends of the bride since her early childhood.

Bouquets of fall flowers decorated the pleasant rooms.

In order to receive her gifts, the honor guest was asked to shoot with bow and arrow at numbers pinned on a large pink heart. The gifts were carried to her by little Loren Smith. Many beautiful and useful gifts were the result of her efforts with the bow.

The color scheme of pink and white was carried out in the refreshments. Misses Myrtle Curry and Margaret Pardee assisted with the serving.

Kiwanians Prepare For Yearly Election Of Officers

As the time for the annual election of Kiwanis club officers approaches, the organization will soon make its nominations. President Merrill Tuesday appointed as committee in charge of the election, C. H. Whitman, Horace Genwell and Louis Shelley.

A number of the members brought visitors to hear the lecture on the use of X-ray and radium in the medical world, by Dr. Charles M. Richards. He gave a very interesting account of the discovery and experiments of the Roentgen or X-ray apparatus and its wonderful aid to the medical profession and benefits to the people. Many slides of arthritis cases, cancer and other diseases were shown and explained during the talk.

Ann McMannus gave a solo dance, with Miss Helen Nielson at the piano.

Ira Abbott acted as chairman. Guy Farley will conduct and deduct at Tuesday's luncheon.

Mrs. William E. Davis of Sacramento arrived Saturday for a ten day visit with her brother, A. I. Cramer, and wife.

Local Boy Badly Injured At San Jose Race Track

Leslie Dreisback, son of Mr. and Mrs. W. E. Driesback, was seriously injured Sunday while trying to set a new course record on a new motorcycle.

While traveling over a rough spot in the track, his goggles were jarred out of place and before he could clear his vision the machine had climbed the bank and crashed through the fence, splintering the timbers. Deep cuts were inflicted in his right chest and abdomen.

His brother, William, and other spectators rushed him to the San Jose hospital where some two hours of emergency treatment was afforded and then he was removed to the county hospital where his wife is one of the nursing staff.

At last reports he was considered out of danger if no complications arose but was awaiting an operation for the removal of more slivers.

Leslie has taken part in some 15 races and met with a number of victories. Heretofore he has escaped injury although having some close calls, so that he is considered one of the best riders in this part of the state.

The many friends of the young man extend their good wishes for a speedy recovery and hope to see him soon again behind the counter at Miller's store where he so recently had gone to work.

J. H. Corcoran Assumes Active Mangement Of Telephone Company

From Office boy to general manager is the story surrounding the appointment yestarday of J. H. Corcoran as general manager of the Pacific Telephone and Telegraph Company for Northrn California and Nevada. The appointment is announced by N. R. Powley, operating vice-president.

As directing head of 10,000 men and women in this area, including thousands of operators, Corcoran has been general traffic manager since 1920. His 41 years of telephone experience make him unusually well qualified to handle the problems resulting from the immense telephone growth of this section. He succeeds R. A. Gantt, whose resignation as general manager was also announced yesterday.

Gantt has become vice president of the Postal Telegraph and Cable corporation, recently purchased by the International Telephone and Telegraph company, a company in which the Bell System has no financial interest.

Roosevelt Day To Be Observed By Local Schools

Roosevelt Day will be observed at the Campbell Union high school grounds and the grammar school auditorium Friday, Oct. 26 at 2:30 p. m.

The principals of both schools are preparing appropriate and entertaining programs and Dr. T. W. MacQuarrie, president of the state teachers college at San Jose, will give the address of the day.

No doubt you will be able to judge the future by the past and amplify this notice to a great extent. Surely the natal days which Campbell observes are the most wonderful of all the year, honoring the great Americans who have passed and left their mark with us. Washington, Lincoln and Roosevelt days are observed not only to inspire patriotism but for the education of the younger generation.

As an inspiration we have a memorial redwood tree—a living, growing monument—the redwood tree planted by Col. Theodore Roosevelt in 1903. As far as is known at this time this is the only redwood tree ever planted by Roosevelt or any other president of the United States.

To some of us who knew this tree when a little bush not more than four feet high and have lived to see it grow to where it now is—over 0 feet high and too large at the base for a person to encircle with his arms, this redwood tree stands alone, a sentinel on the high school grounds, and will no doubht grow on for ages and to a height which we can only estimate by the great redwoods we find in the forests.

By agreement of all interested the date of this observance has been set forward to the twenty-sixth to give the students of all schools the advantage of being present which might not be possible Saturday, Oct. 27, which is Theodore Roosevelt's birthday.

Many Farmers Are Skeptical Of Al Smith's Farm Knowledge

Former Farm Bureau President Contrasts Governor's Ignorance With Hoover's Understanding.

Farmers of the country are skeptical of the understanding and sympathies of a New York City-bred President for solution of their problems, O. E. Bradfute, of Xenia, O., former president of the Ohio Farm Bureau federation and the American Farm Bureau federation, has advised Chairman Hubert Work of the Republican National Committee.

It was Mr. Bradfute, a real "dirt" farmer, who issued a statement last summer stoutly defending Hoover as the friend of the farmer and dynamiting some of the calumnies then being circulated.

O. E. BRADFUTE

"I found Hoover a magnificent counsellor on agricultural matters," declared Mr. Bradfute, referring to his association with the Secretary of Commerce while administering the American Farm Bureau federation here.

"Any farmer knows that a New York City man has little of the background or information necessary to an understanding of agricultural problems," said Mr. Bradfute. "If the chief executive knows little or nothing himself, how can he tell good advisers from the poor ones? The farmers aren't dumb-bells.

The farm program outlined by Secretary Hoover in his acceptance speech and since, meets with the approval of all thoughtful farmers, Mr. Bradfute declared. His program of waterway development promises to reduce transportation costs and he has indicated, they believe, other definite directions from which aid and improvement may be secured.

Due to the fact that plates of our serial story failed to arrive this week we are forced to omit same. Sorry!

Country Woman's Club Hears Of Park Project

Amendment No. 4 on the ballot of Nov. 6 provides for bonds of $6,000,000 to be issued as they are ıtched by private subscriptions equal amounts, for the acquireent of new or additional park es throughout the state.

W. P. Isham, president of the Sempervirens's club with headquarters in San Jose, was present at Monday's meeting of the Country Woman's club and spoke in behalf of the amendment. He presented a number of interesting facts showing the need of more public grounds as it is getting more difficult all the time to find a place to eat a picnic dinner without having to pay for it.

At present a commission of five men, appointed by Governor Young, serving without salary, are making a preliminary survey and have asked for a presentation of various projects and proposed sites, of which over 300 have already been made to them.

A resolution endorsing the proposed purchase of land in the Santa Cruz mountains which lies between the state redwood park and other state lands, was passed by the club.

Two applicants for membership were voted upon and plans proposed for a future social event when the note on the library is fully paid.

Oct. 26 the County Federation will meet at the Morel and Good Will club house and the ladies of that club will serve a plate dinner. Reservations for the same can be made with Mrs. D. H. Cramer.

The program Wednesday was a substitution for the one outlined in the book as Mrs. E. R. Smith was not well enoght to undertake the one assigned to her.

As we go to Press word has been received that Mrs. Maud Marston Lent was operated upon Wednesday for appendicitis. No report of the resnlt was learned.

STRAWS BLOW 7 TO 1 FOR HOOVER

Miss Esther Howard and Miss Hazel Eberhart gather in the straws at Republican headquarters. The straws are post cards from people all over the country listed in "Who's Who." A query was sent to each person listed. Final counts revealed that 8,762 of those who replied will vote for Hoover and 1,270 will vote for Smith. Hoover carried all states but Mississippi, South Carolina, and Arkansas. In many of the so-called doubtful states Hoover received an overwhelming proportion of the votes.

Mrs. Alice Hutchins, who was injured in a fall several months ago and has been at the home of her son in San Jose since leaving the hospital, came out to Campbell last Friday for a visit.

Senator Sanborn Young and Dr. Wayland were Campbell callers Wednesday. Both men are of the opinion that Mr. Hoover is a sure winner by a big majority.

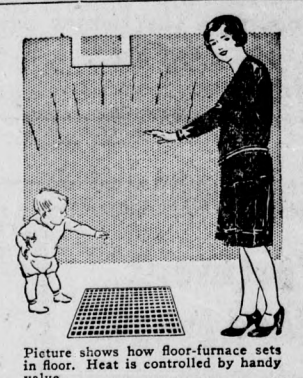
Good heating and fuel economy

come only with heating equipment carefully planned and installed



Picture shows how floor-furnace sets in floor. Heat is controlled by handy valve.

You know how homes differ in their size and the type of building materials used. There is 10% less heat loss through plaster and board walls as through brick walls. And there is 25% less heat loss through insulated walls. These are some of the facts our staff considers before recommending a heating system. For after all, a furnace must keep your home warm no matter how your home is built.

Only trained engineers can weigh such facts and fit the proper heating equipment to each home.

There is no obligation if you have one of our men look over your home. The facts he finds will be taken back for careful consideration by our staff. Then you'll know the recommendations they make will be good. As we will always be in business we can only afford to recommend good gas heating equipment to our customers. And that is one reason why all our recommendations are carefully made. Another reason is, this company knows by years of carefully kept records, that good heating and fuel economy come only with heating equipment carefully planned and installed.

A postcard or phone call will bring a heating expert to your home.

Pl nning Chest Drive

Organization of districts and teams for the Community Chest is progressing rapidly. R. E. Noddin, adjutant for the outlying districts, is a busy man enlisting captains. He reports captains as follows: Meridian, J. E. Wiesendanger; Haimlton, W. R. Coupland; Cambrian, Louis Shelley; Union, Moreland and San Tomas still to be filled.

C. H. Whitman, Dean of Directors, has been assisting San Jose headquarters in organizing Morgan Hill for the drive, and substituting for T. A. Cutting at conferences which he could not attend.

Campaign headquarters for Campbell has been established at Guy Farley's Real Estate Office, and he has undertaken to round up the business district for the drive which will be made thruout the whole district from Nov. 14 to 21.

It is the plan this year to divide the districts into roads and streets with a lieutenant for each, so that the canvass may be conducted more speedily than usual and with less call upon anyone person's time. This plan was adopted at at the suggestion of S. N. Hedegard. last year's head.

The big inspirational stewardship dinner is to be served at the Scottish Rite Auditorium in San Jose at 6:30 p. m., Oct. 23.

All interested in the Chest are invited to attend. Plates will be a $1. All directors, captains, lieutenants, and solicitors are expected to be present. The work of the various agencies will be presented in dramatic form. Those deirsing reservations should call up T. A. Cutting, Phone 11 W not later than Saturday.

ENFORcEMENT LEAGUE

Plans are under way for the formation of a permanent county-wide organization interested in law enforcement. A meeting was called to decide upon joint action of all clean-up forces, following the recent report of the 1928 grand jury's public morals committee.

Chairman V. T. McCurdy named a nominating committee composed of Rev. Howard McConnell of the Ministerial Assn.; Chas. S. Allen, Citizen's Committee; Mrs. Lucy McClintic. W. C. T. U.; Walter Thompson, "The 101 Club"; and Frank B. Church, representing the other groups backing the clean-up campaign.

This group, which will name we large executive committee that thill compose the Santa Clara Co. Law Enforcement Commit.ee had not set a date for meeting at our last report.

This committee will act in conjunction with the Grand Jury which is strictly "on the job" and will be for the remainder of its term.

Hit and Runner

Henry Fisher of North First street was the victim of a hit-and run driver Sunday night who left him stunned on the road near his home.

He was taken to the county hospital by Constable Frank Coupland and Deputy Sherif Barnes. After being revived he was unable to give any account of the accident. He was able to be about again Monday.

NOTICE

A meeting will be held in Santa Clara town hall Monday at 2 p. m. to discuss ways and means of remedying the present sewage disposal conditions.

Everybody is invited and any constructive plans will be heard but no complaints against present conditions will be permitted.
